

**MODJAW**   
DIGITAL ACADEMY

# 4Dentistry by MODJAW

**JOIN THE MOVEMENT NOW**  
AND BOOK A COURSE IN ONE OF OUR HUBS

4D dentistry is driven by the idea that both static and dynamic parameters should be taken into account to enable complete diagnostics and bespoke restorations.

Modjaw Digital Academy Trainings are designed for Dentists, Orthodontists and Dental Technicians willing to reinvent their practice and shape a new eco-system by integrating Modjaw Tech in Motion in their digital workflow.
